GOT QUESTIONS?

GENERAL

Q: What are the different modes of transportation provided to passengers on tour?

At the time of booking, passengers are given different options to choose their mode of transportation like: In Private Transfer you can also choose to do sightseeing by private vehicle which will be available from one point to another. The private vehicle will be prebooked on a pre decided route and timings decided in advance as well. Vehicle at disposal means that a car will be with you throughout the travel trip for which timings and kilometers will be decided in advance. If you use the car outside the travel package distance or time limit then it may not be possible or it will be charged additionally. Vehicle at disposal offers more flexibility and control over the itinerary. Private van tours include a vehicle at disposal.

SIC (Seat in coach basis) SIC coach transfers depart only at fixed times and stop at different hotels enroute where other passengers may be picked up or dropped off which means it is time consuming. You will be traveling with other passengers and passengers of different nationalities which offers a good chance to interact with people from different parts of the world. Before joining the tour you need to exchange tour vouchers for your original tickets from the concerned office. Many times the tour starting point is not from the hotel so then you need to reach the departure point from your hotel at your own expense.

Q: What kind of food is offered to travelers on tour?
