IMPORTANT NOTES

Sikkim Important

- Time chosen for Travel – Many of the client have mentioned that they have booked the tour very well in advance so why isn't the best room allotted to them. When the client choose to travel in the month of April, May, June, September, October & November & this happens to be the busiest months for Sikkim & North Bengal. Kindly be updated that the area of Sikkim & North Bengal are not developed like many other hill stations of India & world. The government has been trying to lift the areas development by enforcing LTC (Leave Travel Concession). We understand very well the size of India & its population. We also understand well that most of India falls under heat wave during summers & spring. There are not many places where one can go for relief. Now even if 0.1% of the population turns up, towards Sikkim & North Bengal, the area runs out of capacity. Everything becomes chaotic. Delivering the promised becomes an issue. Patience & understanding becomes an important part in getting the tour organized & making the holiday into a memorable one. This is where we & our services come into counting.
- Uses of AC (Air Condenser) in the Vehicle – The AC will be on when the car is on move only. While travelling in the plains the clients would need AC, which will be switch on. When the car is travelling uphill AC will be switch off.

 4. 'The Area's Fourth Best Hotel', GRADE B & C, whose services are similar to a Two Star Hotels.
 5. The Area's Fifth Best Hotel as GRADE D, whose services are similar to a Budget & Tourist Class Hotels.
 6. GRADE LTC hotels are very basic service hotels which are selected on the basis of cost.
 7. PURE VEG Hotels are mixed service / Grade Hotels which are selected on the basis of Vegetarian food served. The hotels used in this category are not to be compared with one destination with the other.
- Check-in time at Hotel will be 1400 Hrs & Check-out time will be 1100 Hrs. All the bookings are non-transferable & all in-house hotel rules will be effective during your stay. As imposed by the Government Valid photo ID for all members staying at the hotel is mandatory. - For Extra Person Sharing the Room & Child with Extra Bed, almost all the hotel of our area provides MATTRESS and ROLL OVERS as a supplement to Extra Bed.
- We have selected, combined & graded the hotels in a manner, so that you get similar standard of services & facilities at every destination / place of retirement other than specific grade like Grade LTC & Pure Veg.
- As the area is backward it is quite obvious that the constructions of the hotels are unplanned. This further means that most of the selected hotels are located in the city centers. These hotels may have the view of the building in the front, beside or behind them. As the services are under mark in the area, we have made our hotel selection on the basis of SERVICES provided by them.
- In our area, most of the hotels do not have lift. You will have to climb stairs to reach your allotted rooms. Incase any of you, have problems with blood pressure, breathing, knee & heart or if you cannot climb the higher floors, we will request you to report this immediately, so that we handle it with care, before the Hotels assign you your room, which will be convenient than the ones quoted/reserved for you. DIFFERENCE IF ANY WILL HAVE TO BE SETTLED DIRECTLY BEFORE CHECK OUT.
- In hilly area, scarcity of water & electricity is a natural phenomenon. Everybody buys water for their day-to-day needs & have learnt to live even without electricity. In case of Load Shading, kindly bear with such situation. To overcome the water crisis certain hotels have fixed schedule for supplying hot & cold water. We strongly regret the inconvenience.
- Certain Hotels in Grade B1, Grade B Category & all hotels in C, D & LTC Category have system of providing room heater on request, on extra payment basis. This payment is not included in the cost & the user will have to settle it directly with the hotels before check-out. The charge varies from INR 250.00 to INR 500.00 per heater per room per night.

Note on Transportation used in the Packages:

- The vehicle used will not be at disposal and will be exclusively used for the group as per the itinerary only (on point to point basis). It will change sector wise. NAC Tata Sumo / Mahindra Maxx cannot drop the guest, to the hotel (Government rule) and have to leave the guest, in the Taxi Stand. From the Taxi stand, the

guest are shifted into local Taxi (Maruti Van / Wagon R maximum 4 pax in a vehicle) and then transferred to their respective hotels. Again the day they are going to Lachung, Lachen or Tshangu Lake and Nathula, they have to be transfer, by local Taxi, to a different stand and then get shifted into their vehicle which is a NAC Tata Sumo / Mahindra Maxx. The same exercise is vice-versa, on their return from Lachung, Lachen or Tshangu Lake and Nathula. This Taxi fare is already included into the packages & will be paid by your driver.

- As the area is backward & due to unwritten syndicate rules your vehicle & drivers will change for every transfer & sightseeing. These drivers come from remote places and are not educated in tourism etiquette and some of them do not know how to speak & behave. You are requested to be soft & gentle with your drivers.
- Often in past guests like you, have been misguided by such drivers. We would like to inform you not to listen to such people & reconfirm whatever they say with your File Handling Executive (FHE).
- As the vehicles & drivers change always, we will request you to be very careful with personal belongings. Once left in the vehicle, there is, almost nil or little chance, of getting it back.
- Certain sightseeing, are totally controlled, by the syndicate. We do not have any say over such services. We will request you to bear with such uncalculated situations. FHE will guide you on such services e.g. Tshangu Lake, Nathula, packages to North Sikkim etc. Especially while using such services you will have to be gentle in dealing with the drivers as due to lack of their exposure to the tourism industry & practices. They at times, get annoyed and may misbehave.
- Since Nathula is a restricted area and gets sealed, without any notice, for security reasons. In such case your tour will only be till Tshangu Lake and there will be no refund for unutilized services.
- One can opt for Nathula Excursion by paying a supplement cost which varies from month to month. Organising the permit at the last moment is not possible & a clear window of 72 Hrs with proper documents is required to process the permit. Nathula permit gets confirmed a day prior OR on the day of journey (depending on the working of the permit issuing office) & it is subjected to permit availability as it is allotted as per lottery. Nathula is closed on Monday & Tuesday for tourist. To process the permit we would require 04 Passport Size Photograph & photo proof identity card such as Voter Id / Passport / Driving License. Pan card & Adhar card is not accepted as identity proof by authorities. There is no refund, in case the permit is confirmed by Sikkim tourism & due to whatsoever reason (Land slide, Heavy rain fall, VIP Movement, Health issue etc) one is not able to visit Nathula.
- Due to shortage in space for parking, please be informed that you will have to be ready on time & wait in the lobby. Due to uncalculated situations the vehicle reporting may get delayed. We will request you to bear with us and as soon as vehicle arrives you will have to get in, within few seconds, before the policeman blow his whistle.
- Due to vehicle-parking difficulty, most of the areas are restricted to entry of vehicle & specific time is allotted for entries. Kindly follow the time strictly as given to you. Incase of delays the vehicle will have to leave the hotel area without you & get parked in a parking area. In such a case, you will have to be transferred in a Maruti Van FOR WHICH THE COST WILL HAVE TO BE BORNE BY YOU & WILL HAVE TO BE COLLECTED DIRECTLY FROM YOU.
- Due to specified time, your transfer vehicle for your next connecting destination may not be allowed to enter the hotel area. Under such circumstances you will be transferred from stand to the hotel or vice versa, in a local taxi (Maruti Vans) for which the driver of your connecting vehicle will make the payment. Depending upon the situation the FHE may request you to make the payment which will be reimbursed to you immediately at the next station.
- As per Motor Vehicle Act capacity of a Luxury Vehicle (Scorpio / Xylo / Innova) is 06 pax including Adult or Child. Also while opting for Luxury Vehicle please travel light with minimum baggage of one piece per person. However for comfortable & safe traveling it is advisable to fit in 04 to 05 adult in a Luxury vehicle.

Note on General Operations:

- The area is backward but rich in Nature and the facilities available cannot be matched to those available in the Plains and other developed destinations. We strongly regret this constraint of the area.
- Please note that our Executive will hold placard as advised by you, just outside the only exit gate of Bagdogra Airport.
