Q: What is the best time to visit the said destination?

Europe may not be among the biggest continents but rather it has an exceptionally varied geography. Along these lines, the atmosphere of Europe is distinctive according to the region from bright Mediterranean isles to arctic Norwegian fjords.

The ideal time for Indians to travel is from April to September. This is a period of Spring & Summer. During this time the climate mildly warm & days are long, allowing maximum time to explore. If you are choosing winter experiences like skiing, snowshoeing etc. or wanting to experience Northern Lights, you must travel during the winter between December & March.
