Saigon - Cu Chi Tunnels - City Tour – Saigon (Sic Tour)

Have breakfast at hotel. Transfer to visit Cu Chi Tunnels. Located 60km from Saigon, Cu Chi is now a popular spot for both Vietnamese & foreign tourists – the network of over 200km of tunnels became legendary when they played a vital role in the War. In their heyday, the tunnels were functioning underground cities including numerous trap doors, specially constructed living areas, storage facilities, weapons factories, field hospitals, command centers & kitchens. After a short introduction video showing how the tunnels were constructed, you will have a chance to crawl into a short section of the tunnels to feel the oppressive narrowness and heat inside. Return to Saigon and your lunch will be managed by your own. In the afternoon, continue to visit the Reunification Palace. Formerly the Independence Palace of the South Vietnamese president, this 60s style was famously stormed by tanks on April 30, 1975 signifying the fall of South Vietnam. It has been preserved in its original state, and the original tanks remain on display near the entrance gates. Continue to the harrowing War Remnants Museum, which comprehensively documents the travails of the long Vietnam- American War. Inside are detailed photographic exhibitions; outside is a collection of tanks, planes and weapons. A powerful experience, this museum is guaranteed to provoke strong emotions. Pass by classic European-style landmarks such as the ornate City Hall (Hotel De Ville), the old Opera House (both may only be viewed from the outside), and pay a quick visit to the neo-Romanesque Notre-dame Cathedral (outside due to construction) and the Central Post Office. GOT QUESTIONS?

GENERAL

Q: What is the difference between group tours and individual tours?

Group tours consist of certain number of people touring together to a destination. Group tours can be a great way to know new people and explore well planned itinerary covering the best places. No changes will be possible in your group tour itinerary. In each destination the group consists of approximately 40 to 55 members.

Individual tours are tailor made tours designed and arranged just for you. You have a liberty to choose your own hotels, and attractions as per your taste.

Q: What are the different modes of transportation provided to passengers on tour?

At the time of booking, passengers are given different options to choose their mode of transportation like:

In Private Transfer you can also choose to do sightseeing by private vehicle which will be available from one point to another. The private vehicle will be pre-booked on a pre-decided route and timings decided in advance as well.

Vehicle at disposal means that a car will be with you throughout the travel trip for which timings and kilometers will be decided in advance. If you use the car outside the travel package distance or time limit then it may not be possible or it will charged additionally. Vehicle at disposal offers more flexibility and control over the itinerary. Also private van tours include a coach at service.

SIC (Seat in coach basis) SIC coach transfers depart only at fixed times and stop at different hotels enroute where other passengers may be picked up or dropped off which mean it time consuming. You will be traveling with other passengers and passengers of different nationalities which offers a good chance to interact with people from different parts of the world. Before joining the tour you need to exchange tour vouchers for your original tickets from the concerned office. Many time the tour starting point is not from the hotel so then you need to reach the departure point from your hotel at your own expense.

Q: What kind of food is offered to travelers on tour?

Meals which will be provided on tour will be mentioned in your tour itinerary. Usually meal menu contains of Indian vegetarian food, Jain food (no onion, no garlic, no potato), local vegetarian food, if requested Indian non- vegetarian food and local non-vegetarian food.

Q: What is the procedure to obtain visa to visit the said destination?

Visa is an official permit that helps you enter a foreign country and stay there for a specific period of time. Hummingbird does serve visa service. Talk to our travel consultant for visa process details for which you will have to submit certain documents.

Q: What is the best time to visit the said destination?

In spite of its relatively compact size, Southeast Asia has a shifted atmosphere that matches its varied geology however one might say that the area encounters two particular seasons - the wet and the dry. The southwest monsoon normally hits the area between June and September when numerous nations experience high rainfall and the vegetation blossoms in verdant green. The dry season between November and February is viewed as the better time to go with drier and marginally cooler climate. The hottest time of the year is usually between March and June when humidity levels ascend in preparation of the approaching downpours.
